CD Clock Radio with Dock for iPod® & iPhone™

Features

- Compatibility Compatible with most iPod® players and iPhone™ 1 models.
- Hidden Sliding Dock Tray Hidden sliding dock tray enables you to connect your compatible iPod® player or iPhone™ for easy access to your favorite music through your clock radio¹.
- Multiple alarms Set the alarm to wake you with music from your favorite CD, your iPod® player or iPhone™ 1, your favorite radio station, or a buzzer.
- Dual Alarm Dual alarm (2/5/7 day) settings let you set two separate wake-up times with the option of waking up to your iPod® player or iPhone™ 1, CD, the radio, or a buzzer.
- Preset Alarm volume Preset volume control enables you to avoid those loud, rude awakenings and wake up to just the right level of sound from the iPod® player, iPhone™ 1, CD or radio.
- Charges iPod® and iPhone™ While your iPod® player or iPhone™ is on the dock¹, it will charge so you never have to worry about running low on battery life³.
- Large Easy to See LCD Display A large LCD display allows for an easy-to-see digital time display.
- Remote included Control your iPod or iPhone¹ music functions from across the room with the included full-function remote control.
- Time Zone The correct Eastern Standard Time (EST) zone time is preset, so just plug the clock in and adjust the time zone as necessary. In the case of a power interruption, the built-in Lithium battery maintains the correct time so when the power returns, you don't have to reset the clock.
- Daylight Savings Time When Daylight Savings Time changes take place every spring and fall, there's no need to adjust the clock because the built-in calendar recognizes the dates and automatically makes the proper time adjustments.
- Alarm If the alarm was set and the power goes out, the alarm buzzer will still sound even if the alarm was set for the radio, iPod® player, iPhone™ 1 or CD.
- Connect other Digital Music Players Easily connect other digital music players to the clock radio for easy access to all of your music using the line-in jack and supplied audio connecting cable.
- Variety of Programming Choose from a wide variety of radio, talk, and music programming and preset up to 30 of your favorite stations for quick access.
- Stereo Speakers Stereo speakers provide a complete and enjoyable listening experience.
